500g of strawberries
60g of caster sugar
6 mint leaves

**500g of strawberries
<span ite**

To prepare a Vorwerk strawberry soup in 4 steps with 3 ingredients in 5 minutes:

Â»

Remove the strawberry stems and wash them.

Â»

Place the strawberries in the Thermomix bowl.

Â»

Add the caster sugar and mint leaves.

Â»

Set for 45 seconds at speed 4.

Chill for at least 1 hour and enjoy this fresh homemade strawberry soup from the Thermomix
