10 min 30 min 40 min 2/10 10 6 14

800G of molds
200g of peeled tomato
150g of red pepper
25g of olive oil
1 shallot
1 small onion
1 pinch of Provence herbs
Fresh basilic
Salt
Pepper

800G of molds

Â»

Peel the shallot and the onion, put them in the bowl of the Thermomix and set 5 seconds on speed 5.

Â»

Seed the peppers and place in the bowl of the Thermomix, add olive oil, peeled tomatoes, herbs, pepper and salt and set 10 minutes on 100°C to speed 2.

Â»

Meanwhile, wash the mussels and put them in the varoma.

Â»

When it beep, put the varoma on the top of the thermomix and 20 minutes at the temperature varoma at speed 1.

Â»

Finely chop the basil and mix it with the mussels.

Â»

Pour the sauce over the mussels and serve immediately.
