2 min 30 min 32 min 1/10 3 2 12

800G of water

4 salmon fillets

1 pinch of coarse salt

**800G of water
4 salmon fillets
1 pinch of coarse salt
**

Â»

Place the salmon fillets, skin-side down, on the varoma tray.

Â»

Add the water and coarse salt to the thermomix bowl and cook for 30 minutes at speed 2 and varoma temperature.

Salmon fillets pair well with tarragon sauce
