Â»

Wash zucchini, remove the tip at both ends. Cut into large pieces and place them in the bowl of Thermomix.

Â»

Peel and wash the potatoes, cut them into pieces and place them in the bowl of Thermomix.

Â»

Add water, coriander, stock cube, salt, pepper and set 10 minutes on 100°C at the speed 3.

Â»

At the end, add kiri and set 30 seconds on speed 8.

Good tasting
