With the Thermomix, you will make delicious homemade compotes like this peach compote :

Â»

Peel and cut the peaches and apple.

Â»

Put the water in the Thermomix bowl, add the peach pieces.

Â»

Set for 5 minutes at speed 1 at 70°C.

Â»

Blend everything for 20 seconds at speed 7.

The Thermomix is an excellent kitchen robot for preparing your homemade compotes. You will delight your taste buds and eyes.

Yum ;)
