Thanks to the TM31, TM5, and TM6, you will cook excellent Thermomix apple sauces, like the basic recipe for apple sauce :

Â»

Peel and cut the apples into pieces and place them in the Thermomix bowl.

Â»

Add the sugar and set the temperature to 90°C for 10 minutes at speed 2.

Â»

Blend for 15 seconds at speed 8.

The Thermomix is an excellent appliance for making homemade apple sauces. Enjoy ! Yum ;)
