How to make a Thermomix dessert cream with Carambar flavor ?

Â»

Unwrap the Carambars and place them in the Thermomix bowl.

Â»

Set for 10 seconds at speed 7.

Â»

Add the milk, eggs, and cornstarch to the Thermomix bowl.

Â»

Set for 7 minutes at 90°C and speed 3.

Â»

Add the heavy cream and set for 15 seconds at speed 4.

Enjoy this recipe by pouring the cream into ramekins and letting it cool. Vary the flavors by using fruity Carambars such as strawberry, raspberry, or lemon. Yum
