150G of dark chocolate

50g of sugar

4 oranges

4 eggs

1 pinch of salt

**150G of dark chocolate
<span**

Preparation of Thermomix icing sugar :

Â»

Put sugar in the bowl of Thermomix, put the lid and press turbo button 3 times. You will get the sugar. Book in a bowl.

Â»

Rinse and wipe the bowl of Thermomix.

Preparation of Thermomix egg whites :

Â»

See recipe [egg whites with the thermomix](#).

Â»

30s before the end of the cycle, add the icing sugar throw the opening of the Thermomix.

Preparation of chocolate :

Â»

Put water to boil in a saucepan and melt the chocolate in a bain-marie.

Preparation of oranges :

Â»

Put the egg whites in a bowl and pour the egg yolks on top. Mix gently with a wooden spatula.

Â»

Put egg whites in the chocolate.

Â»

Cool the chocolate mousse 3H in a fridge.

Â»

Cut the oranges in 3/4. Squeeze your orange and keep the juice. Decorate your orange as you like.

Â»

Fill a pastry bag with the chocolate mousse and insert into oranges.
