6 strawberries

2 apples

**6 strawberries
2 apples
**

Make a delicious homemade strawberry compote with your Thermomix TM31, TM5, and TM6 :

Â»

Peel and cut the apples into large pieces and put them in the Thermomix bowl.

Â»

Wash the strawberries, put them in the Thermomix, and set it to 5 minutes at 50°C on speed 2.

Â»

When it beeps, set it to 20 seconds on speed 8.

Â»

Put it in small jars, let it cool, and refrigerate.

You will get excellent Thermomix strawberry compotes with no added sugar. Yum ;)
