Strawberries :

400g of strawberries

2 packets of vanilla sugar Crumble :

125g of flour

125g of brown sugar

125g of butter, cut into pieces

**<div class="tac">Strawberries : </div>
 <span itemprop=**

Prepare a delicious and simple recipe for strawberry crumble using the Thermomix :

Â»

Preheat the oven to 180°C.

For the strawberries :

Â»

Remove the stems, wash, and cut the strawberries into pieces, then place them in an ovenproof dish.

Â»

Pour the 2 packets of vanilla sugar over the strawberries and mix.

For the Thermomix crumble :

Â»

Put the flour, brown sugar, and butter cut into pieces in the Thermomix and mix for 20 seconds at speed 5.

Â»

Pour this mixture over the strawberries.

Â»

Bake for 25 minutes.

Present this basic crumble recipe in glasses or ramekins. Your guests will be delighted. Yum !
