400g of ice cubes
200g of strawberries, gariguet strawberry for example
50g of granulated sugar
25g of water
2 tablespoons of lemon juice

400g of ice cubes
200g of strawberries
50g of granulated sugar
25g of water
2 tablespoons of lemon juice

For powdered sugar :

Â»

Put the sugar in the Thermomix bowl with the measuring cup on the lid.

Â»

Set it to closed position and press the turbo button 3 times.

For Thermomix homemade granita :

Â»

Wash and remove the stems from the strawberries.

Â»

Add water, strawberries, and lemon to the mixture.

Â»

Blend for 15 seconds at speed 10.

Â»

Add the ice cubes.

Â»

Blend for 20 seconds at speed 6.

Pour into a glass and enjoy this refreshing homemade Thermomix granita immediately
