By combining apple with pear, you can make an excellent homemade pear compote:

Â»

Peel and cut the pears and apple, then place them in the Thermomix bowl.

Â»

Add water and set for 5 minutes at 70°C on speed 1.

Â»

Blend everything for 20 seconds at speed 7.

The TM31, TM5, and TM6 are excellent machines for cooking your Thermomix compotes. You will enjoy it. Yum ;)
