For 4 crumbles:

100G of dark chocolate

100G of brown sugar

100G butter

150G flour

2 pears

For 4 crumbles:

Prepare a delicious and easy recipe for fruit crumble with a chocolate twist:

Preheat the oven to 180°C (350°F)

To prepare the crumble using a Thermomix :

Â»

Place the chocolate in the Thermomix bowl and set it to 7 seconds on speed 7.

Â»

Set aside in a bowl to sprinkle over the crumble later.

Â»

Place the brown sugar or demerara sugar, butter, and flour in the Thermomix bowl and set it to 10 seconds on speed 6.

Â»

Peel and cut the pears into pieces, then arrange them in oven-safe ramekins and sprinkle them with chocolate. Add the crumble mixture on top.

Â»

Finally, place some chocolate on top of the crumble mixture.

Â»

Bake for 30 minutes to make the pear chocolate crumble.

Â»

Allow it to cool slightly.

Â»

Spread the crumble mixture over the pears in ramekins or verrines.

Enjoy the pear chocolate crumble served in ramekins or verrines. You're going to love it. Yum ;)
