<div class="tac">For the dough of the Thermomix twelfth-night panca

To make an twelfth-night pancake with apples:

Preheat oven to 210°C

Âx

Put all the ingredients of the dough in the bowl of Thermomix and set 30 sec on speed 2.

Â

Roll out the dough on your work surface and fold the two coasts to the center and repeat again.

Â

Develop 1H fees.

»

Divide dough in two and spread out to form a disc of + or - 22 cm in diameter.

Âx

Cut the apples into slices and arrange on the pastry. Do not forget to put the bean.

»

With the remaining dough, again form a disk or + - 22cm and go put on top of the apples.

A»

With finger, press the edge of the 2 pasta to stick together.

»

Using a brush, brush the tops of the cake so that it browns during cooking.

»

Bake 30 minutes.

This delicious fruit-flavored thermomix pancake is best enjoyed warm. You're going to love it. Yum;)

Tip: you can put chocolate chips on top of the twelfth-night pancake with apples
