Pepper

To enjoy this delicious holiday dish prepared with the Thermomix TM31, TM5, or TM6 :

Â»

Put the bread in the Thermomix bowl and set it for 10 seconds on speed 5 to make breadcrumbs.

Â»

Set aside in a bowl.

Â»

Put the water and wine in the Thermomix bowl.

Â»

Put the scallops in the steaming basket and set it for 20 minutes at Varoma temperature on speed 2.

Â»

When it beeps, remove the basket and keep the scallops warm.

Â»

Preheat the oven to 200°C.

Â»

Add the flour, heavy cream, salt, and pepper, and set it for 10 minutes at 90°C on speed 4.

Â»

Add the chopped chives and set it for 10 seconds on speed 2.

Â»

Place the scallops in the shells and pour the sauce over them.

Â»

Add some gruyère cheese, breadcrumbs, and a knob of butter.

Grilled scallops with the thermomix

Bake for 10 minutes.

Enjoy hot. Yum ;)
