1kg of flour
500g of sugar
300g of butter
40g of cinnamon
4 eggs

**1kg of flour
<span itemprop="**

Make delicious and easy Thermomix cinnamon-flavored cookies to enjoy with a good cup of coffee or hot chocolate :

Â»

Place the sugar, cinnamon, flour, and eggs in the Thermomix bowl, then set it to 30 seconds on speed 3.

Â»

Add the butter and mix for 1 minute on speed 2 in kneading mode.

Â»

Let the dough rest for 2 hours.

Â»

Place the dough in molds and bake for 15 minutes at 180°C.

You can make this Thermomix recipe with your children. They will love it. Yum ;)
