7 min 18 min 25 min 1/10 6 3 14

600g pumpkin
600g of water
100g of potatoes
1 carrot
1 kiri (french cream cheese)
Salt and pepper

600g pumpkin

Â»

Wash, peel and cut vegetables into cubes of 2 cm.

Â»

Put the water in the bowl of the Thermomix and set it on 100°, speed 3 for 18 minutes. Do not put the lid on gobelt.

Â»

Add kiri, salt and pepper. Put the cup on the lid and mix for 3 minutes, increasing speed up to 10.
