For the Thermomix mayonnaise :
150g of oil
1 egg yolk
1 tablespoon of mustard
1 tablespoon of vinegar
Salt and pepper For the Thermomix tuna :
1 large can of tuna
1 hard-boiled egg

For the Thermomix mayonnaise : <br

For the mayonnaise :
Â»
To weigh the oil, close the Thermomix bowl, place a small container on top, then press the Thermomix scale button and pour the oil into this container. Set aside.
Â»
Place the whisk in the Thermomix bowl.
Â»
Add the egg yolk, mustard, vinegar, salt, and pepper to the Thermomix bowl.
Â»
Place the measuring cup on the lid.
Â»
Mix for 4 minutes at speed 3.5.
Â»
Meanwhile, pour the oil over the lid to drip it slowly inside the Thermomix bowl through the opening.
Â»
Transfer half of the mayonnaise to a bowl and store it in the fridge to use for other preparations.
For the tuna :
Â»
Add the tuna and hard-boiled egg to the Thermomix bowl.
Â»
Set for 30 seconds at speed 4.
Enjoy very cold, as an appetizer or snack
