### 2 min 30 min 32 min 1/10 3 2 12

800G of water

4 salmon fillets

1 pinch of coarse salt

---

**<span itemprop="recipeIngredient">800G of water<br/></span><span itemprop="recipeIngredient">4 salmon fillets<br/></span><span itemprop="recipeIngredient">1 pinch of coarse salt<br/></span>**

Â»

Place the salmon fillets, skin-side down, on the varoma tray.

Â»

Add the water and coarse salt to the thermomix bowl and cook for 30 minutes at speed 2 and varoma temperature.

Salmon fillets pair well with tarragon sauce
