15 min 3 min 18 min 3/10 8 13 15

250G of flour
150G of pearl sugar
100G of milk
100G of soft butter
20G of brown sugar
1 tsp of salt
1 egg
1 sachet of dry yeast

250G of flour
150G of pearl sugar
100G of milk
100G of soft butter
20G of brown sugar
1 tsp of salt
1 egg
1 sachet of dry yeast

Â»

Put the milk in the bowl of the thermomix with the yeast.

Â»

Set 5 minutes on 50°C on speed 2.

Â»

Add the flour, brown sugar, salt and eggs.

Â»

Schedule 5 minutes on cob function.

Â»

Add the butter in pieces.

Â»

Mix 5 minutes on cob function.

Â»

Form a ball and let rise 1 hour 30 minutes.

Â»

Unfreeze the dough, then add the crystal sugar and mix with a spatula.

Â»

Make balls of + or - 100G and drop them on the parchment paper.

Â»

Let rise 30 minutes.

Â»

Heat up your waffle iron on the thermostat 5 or 6.

Â»

Put the ball of dough in the center of the plate, and heat for 3 minutes.
